Habitat for Humanity - Battlefords believes in a community where everyone has access to safe and affordable housing. The grant we received from BATC CDC enabled us to give two Moms a hand-up, to realize their dream of owning a secure home in which to raise their sons. Priceless!!

Cathy Richardson Habitat for Humanity - Battlefords

The BATC CDC grant has given North Battleford Transitional Living Initiative the needed funds to repair/paint units, purchase furniture and replace required household items so that the individuals moving into our complex have a clean, furnished, damage free, 'Place to call Home"

Julie Huestis, BSc

Housing Coordinator, North Battleford Transitional Living

"The BATC CDC grant enabled us to undertake some much-needed interior renovations to our clubhouse as well as to access a matching government grant. With this help our organization has created not just a home but a much-needed small community performance space for the future. Thank you so much, BATC CDC"

Donna Challis, Executive Producer and Norma Klassen, Volunteer, Battlefords Community Players

### **VISION**

BATC Community Development Corporation will provide grants through support of catchment area projects for the development of healthy communities.

### **MISSION**

BATC Community Development Corporation distributes a portion of casino proceeds to communities, in compliance with the Gaming Framework Agreement and Core Values.

### **CORE VALUES**

- Good Governance Practice
- Communication
- Improve Quality of Life
- Respect for Culture
- Sharing
- Legacy

"With the financial support of BATC CDC, we are healing individuals, nurturing respectful relationships, strengthening families and building healthy communities."

Karen Richard, Executive Director Catholic Family Services of the Battlefords

"I received counselling at Catholic Family Services and BATC CDC sponsored me. I was in a relationship with lots of violence and after my baby was born I knew I needed help. Now we are living in a safe place. Thank you."

## BATC Community Development Corporation celebrates 10 years in 2017

BATC Community Development Corporation continues to support NB Street Festival by allowing us to bring in more artists to our community. As a result, our festival continues grow as an annual event in our community and our province. Without the support of BATC CDC, NB Street Festival would be unable to develop our programming. We are forever grateful for the support.

Kali Weber

NB International Street Performer Festival Association Inc.

### CHAIR'S MESSAGE

On behalf of the BATC Community Development Corporations' (BATC CDC) Board of Directors, I am honoured to present the 2016 – 17 Annual Report. Our intent in presenting this report is to ensure that all our activities can be acknowledged by our key audience. This audience includes BATC membership & leadership, our youth, elders, our neighboring municipalities, our catchment area communities, the provincial government, all members and institutions of FSIN, the private sector and the general public.

BATC CDC maintains a process for a fair and equitable distribution of funds and despite a decrease at the last quarter of the 2016-17 funding year, the continuum was present.

BATC CDC provided a total of \$2,084,875 in grants, to non-profit and charitable organizations within our catchment area, which includes Ahtahkakoop Cree Nation, Chief Big Bear Nation, Little Pine First Nation, Lucky Man First Nation, Moosomin First Nation, Mosquito First Nation, Onion Lake Cree Nation, Poundmaker Cree Nation, Red Pheasant Cree Nation, Saulteaux First Nation, Sweetgrass First Nation, Young Chippewayan First Nation (Stoney Knoll First Nation), the City of North Battleford, the Town of Battleford, and last but not least, the communities within a 100 km radius of The Battlefords.

Some of the grants we provide remain consistent in recipient and amount as we understand the importance our funding is to those particular groups and their clients. The BUH Foundation is continually fundraising to purchase new and updated equipment for the Battlefords Union Hospital, so we try to ensure annual funding toward their efforts. Another agency we assist annually is the Battlefords Boys & Girls Club. The club is safe haven for our youth and a place for them to learn and grow.

The Board of Directors count on the management team to provide support by communicating with grant recipients and potential recipients, ensuring the application process is adhered to and reporting by recipients is completed. The governance aspect is also adhered to by ensuring the board completes an annual strategic plan, and that goals and objectives within the plan, are met.

Our annual report is a summary of the operations of BATC Community Development Corporation, and please feel free to contact myself, any board member, or our management team if you have any questions.

Once again, the Board of Directors would like to thank the Gold Eagle Casino for the ongoing support by providing BATC CDC with a portion of their revenue, so that we may continue to support the development of healthy communities.

Neil Sasakamoose, Chair BATC Community Development Corporation

"With the help of BATC CDC, the Empty Stocking Fund Inc. was able to provide Christmas food hampers for over 1500 people here in the Battlefords and the surrounding area. We were also able to give toys to over 700 children last Christmas. Thank you BATC CDC"

Erin Katerynych
Empty Stocking Fund Inc.

### **TESTIMONIALS**

"There are very few words that can describe the impact our funding from BATC Community Development Corporation (CDC) has had on our organization. Without these funds, we would not be able to continue offering programing 6 days per week to nearly 500 children and youth. Imagine what our community would look like should some of the most vulnerable in society not have a safe place to go with positive role models and nutrition. Thankfully because of the CDC, we do not have to imagine this and we could not be more grateful!"

Nicole Combres, Executive Director Battlefords Boys & Girls Club

Thank you BATC Community Development Corporation for assisting our post secondary students with laptops. One of our student's testimonial sums up the importance of this project funding:

"I would like to extend a big thank you with the receiving of a laptop to help continue my post secondary studies. This will greatly ease the amount of time spent in computer labs and libraries after my regular studies. As a great deal of work is accessible online from lectures, notes, labs and communication. I believe that a computer is now an essential part of studies."

Arlene Noon, PSC Little Pine First Nation

On behalf of Battlefords Family Health Centre Community Garden Project and Garden Participants, I would like to thank BATC CDC for the grant given in 2016/17 growing season. The funds provided community members with gardening skills, physical activity and addressed food security needs. The project also improved green space in the Battlefords. In 2016/2017 we focused on providing youth with land based learning opportunities and incorporated Aboriginal Language Initiatives into the garden sites. We also developed a "Project of Heart" garden to recognize and honor our residential school survivors. With thanks and gratitude!

Rose Favel – Community Garden Project Coordinator Battlefords Family Health Center

BATC CDC Funding has played a big role for our community members. It has assisted community membership in Cultural, Sports, Health, Economic Development and Education. Everyone has equally benefited from this program. The Primary Focus is enhancing the well-being of community members of Onion Lake Cree Nation.

Quote from a 9 year old in one of our Kids in Kitchen cooking classes that are made possible by the generous support from BATC CDC. "I am surprised how good this tastes, when we put in so many vegetables I didn't think I liked. Now I know that a new food doesn't have to be a NO. I am going to ask for red peppers and mushrooms in everything!"

Management's Responsibility

To the Members of BATC Community Development Corporation:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards for not-for-profit organizations. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Directors is composed entirely of Directors who are neither management nor employees of the Organization. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Board is also responsible for recommending the appointment of the Organization's external auditors.

MNP LLP is appointed by the Board to audit the financial statements and report directly to Members of BATC Community Development Corporation; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Board and management to discuss their audit findings.

### Independent Auditors' Report

To the Members of BATC Community Development Corporation:

### Report on the Financial Statements

We have audited the accompanying financial statements of BATC Community Development Corporation, which comprise the statement of financial position as at March 31, 2017, and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of BATC Community Development Corporation as at March 31, 2017 and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards for not-for-profit organizations.

### Comparative information

Without modifying our opinion, we draw attention to Note 3 to the financial statements which describes that BATC Community Development Corporation adopted Canadian public sector accounting standards for not-for-profit organizations on April 1, 2016 with a transition date of April 1, 2015. These standards were applied retroactively by management to the comparative information in these financial statements, including the statements of financial position as at March 31, 2016 and April 1, 2015, and the statements of operations and changes in net assets and cash flows for the year ended March 31, 2016. We were not engaged to report on the restated comparative information, and as such, it is unaudited.

### Report on Other Legal and Regulatory Requirements

In our opinion, as at March 31, 2017, BATC Community Development Corporation has complied, in all material respects, with the criteria established by the 2002 Framework Agreement, Part 7, Subsection 7.10 with the Government of Saskatchewan, Ministry of Government Relations.

### BATC Community Development Corporation Notes to the Financial Statements

For the year ended March 31, 2017

### 1. Operations

BATC Community Development Corporation (the "Organization") was incorporated under the Non-Profit Corporations Act of Saskatchewan as a membership corporation. The purpose of the Organization is to facilitate the allocations of net proceeds derived from the Gold Eagle Casino as mandated by Section 7 of the Framework Agreement and as determined by the board of directors. The net proceeds are allotted to the organization by the First Nation and Metis Relations, a division of the Government of Saskatchewan. The operations commenced in October 2007.

### 2. Significant accounting policies

These financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards for not-for-profit organizations, and include the following significant accounting policies:

### Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

### Revenue recognition

The Organization follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Revenues received in advance of related expenditures are deferred to the period when the expenditures are incurred.

### Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in excess of revenues and expenses in the periods in which they become known.

### BATC Community Development Corporation Notes to the Financial Statements

For the year ended March 31, 2017

### 2. Significant accounting policies (Continued from previous page)

### Recent accounting pronouncements

### **Financial instruments**

In June 2011, the Public Sector Accounting Board (PSAB) issued PS 3450 Financial Instruments to establish standards for recognition, measurement, presentation and disclosure of financial assets, financial liabilities and non-financial derivatives. A related standard PS 1201, was issued to address changes to financial statement presentation related to financial instruments. In June 2015, the effective date was deferred to fiscal years beginning on or after April 1, 2019.

### **Related Party Transactions**

In March 2015, the Public Sector Accounting Board (PSAB) issued a new standard, PS 2200 Related Party Disclosures.

This new Section defines related party and established disclosures required for related party transactions. Disclosure of information about related party transactions and the relationship underlying them is required when they have occurred at a value different from that which would have been arrived at if the parties were unrelated, and they have, or could have, a material financial effect on the financial statements.

This section is effective for fiscal years beginning on or after April 1, 2017.

### Assets, Contingent Assets and Contractual Rights

In June 2015, new PS 3210 Assets, PS 3320 Contingent Assets and PS 3380 Contractual Rights were included in the CPA Canada Public Sector Accounting Handbook (PSA HB).

PS 3210 Assets provides additional guidance to clarify the definition of assets set out in PS 1000 Financial Statement Concepts.

PS 3320 Contingent Assets establishes disclosure standards on contingent assets. Under previous standards contingent assets could not be recognized.

PS 3380 Contractual Rights establishes disclosure standards on contractual rights, and does not include contractual rights to exchange assets where revenue does not arise. The main features of this Standard are as follows:

Contractual rights are rights to economic resources arising from contracts or agreements that will result in both an asset and revenue in the future.

Until a transaction or event occurs under a contract or agreement, an entity only has a contractual right to an economic resource. Once the entity has received an asset, it no longer has a contractual right.

Contractual rights are distinct from contingent assets as there is no uncertainty related to the existence of the contractual right.

These standards are effective for fiscal years beginning on or after April 1, 2017.

### BATC Community Development Corporation Notes to the Financial Statements

For the year ended March 31, 2017

### 3. Impact of adopting Canadian public sector accounting standards

These are the Organization's first financial statements prepared in accordance with Canadian public sector accounting standards (PSAS) for not-for-profit organizations. The accounting policies in Note 2 have been applied in preparing the financial statements for the year ended March 31, 2017, the comparative information for the year ended March 31, 2016, and the opening public sector accounting standards' statement of financial position as at April 1, 2015 (the Organization's date of transition to public sector accounting standards).

In preparing these financial statements, the Organization has not elected to apply any transitional provisions permitted by PS 2125 First-time Adoption by Government Organizations at the date of transition to Canadian public sector accounting standards (PSAS) for not-for-profit organizations. There were no changes to net assets at the date of transition.

### 4. Deferred contributions

Deferred contributions consist of unspent contributions externally restricted for the purposes outlined in the 2002 Gaming Framework Agreement. Recognition of these amounts as revenue is deferred to periods when the specified expenditures are made. Changes in the deferred contribution balance are as follows:

| Less: Amount recognized as revenue during the year  Balance, end of year | (2,573,144) | (3,488,946) |
|--|-------------|-------------|
| Amount received during the year  | 2,688,305   | 3,302,117   |
| Balance, beginning of year   | 165.861     | 352.690     |
|  | 2017        | 2016        |

### 5. Related party transactions

The Organization paid administration fees to Battlefords Agency Tribal Chiefs Inc. (BATC Inc.) of \$500,000 (2016 - \$506,371) for all administration activities related to its operations. BATC Inc. is the sole member of the Organization and BATC Inc. shares are owned by five member First Nations.

Allocations expense includes \$5,927 paid to BATC Inc. and \$767,620 paid to BATC Inc. member First Nations.

Transactions with related parties are in the normal course of business.

### 6. Contingent liabilities

In the year ended March 31, 2011, the Organization received and distributed funds relating to 2007 - 2008 first quarter Community Development of Gold Eagle Casino totalling \$947,279. The Directors of the previous Community Development Corporation filed a claim against the Directors of the Organization relating to the distribution of this funding. It was agreed at the time that if the court directs the Province to make distributions contrary to the existing agreement and allocation, the Province would withhold future payments that would be distributed to BATC Community Development Corporation for the purpose of complying with the judgment of the court. Recipients of this funding have been informed and have acknowledged this contingency and have agreed to repay these funds to BATC Community Development Corporation if a distribution contrary to the existing agreement were to take place. There has been no subsequent activity in this regard and no provision for a possible adjustment has been included in these financial statements.

### 7. Economic dependence

The Organization is dependent on funding received pursuant to the 2002 Gaming Framework Agreement as distributed under 4.1 c) of the agreement.

### **OPERATIONS ANALYSIS (ASSESSMENT OF GOALS & OBJECTIVES)**

BATC Community Development Corporation met the goals and objectives within the timelines set forth in the 2017-18 Strategic Plan. Our vision of supporting the development of healthy communities is met on a continual basis, as we provide grants to enhance projects, events, and services to our communities.

The board of directors and the management team worked under a good governance practice by meeting reporting deadlines, having an unqualified audit as presented in this report, being accountable and transparent by disclosing all grant recipients and amounts, and complying with the gaming framework agreement.

We create public awareness by posting our annual report within the BATC website and distributing it to the governing bodies, having information booths at the treaty days of BATC's member bands, and being present at public events which we've provided grants to.

Improving the quality of life, respect for culture, sharing, and legacy are all evident in the many cultural projects and events that were funded this year. Again, those can be found on the grant recipient list within this report.

All of the projects are reviewed by the board via recipient applications at our quarterly allocation meetings. Once an application is approved, the core values are gauged by proceeding through the goals and objectives for each application. Payments are issued, project is made public, recipient is required to report on expenditures, management ensures reporting is compliant, and then the project file is closed and retained for audit purposes.

BATC Community Development Corporation maintains a good standing with the various levels of government that require our year-end reporting and remains to be transparent and accountable to all.

August 14, 2007 is the date of incorporation for BATC Community Development Corporation

"Having the support of the BATC CDC nutrition grant has provided our students access to nutritious snacks and healthy alternatives in our lunch program on a daily basis. Thank you for the support; nutrition is an integral piece of academic success."

Susan Fry and Sandy Emke-Kish Principal and Vice-principal, Spiritwood HS The biggest project funded to date is the CUplex in North Battleford, which received a total of \$1,112,000 during construction. Funding for facility equipment is ongoing

As of March 31, 2017, BATC CDC has provided a total of \$29,210,176 in grant dollars
