

"On behalf of Enbridge,...provided key services across several disciplines which contributed significantly to the success of the L3R project. In addition, through a labor brokering agreement, ... provided over 200 skilled workers for the project that, ...helped Enbridge achieve a milestone goal for L3R with Indigenous participation of over 20% of the entire workforce that were involved in the project., We look forward to continuing our business relationship with First Alliance Group of Companies and Battlefords Agency Tribal Council for engagement in future opportunities as they arise."

Kim Brenneis Director, Community and Indigenous Engagement Canada Public Affairs, Communications and Sustainability

"SITE Resource Group has developed a long-term, mutually beneficial relationship... which encourages participation, recruitment, employment and capacity building for all Battleford Agency Tribal Chiefs members. They provided as few as one to as many as fifty skilled and qualified workers to participate in our operations on multiple locations at any one time."

Chris Martineau, President, SITE Resource Group

On behalf of O.J. Pipelines Canada, I would like to extend our thanks for the productive, professional relationship we established during Enbridge's Line 3 Replacement. We believe you are industry leaders in providing skilled labour to the job site in a timely manner. A special thanks for providing the high volume of skilled indigenous workers as direct hires and contractors. We believe that establishing business relationships like this one are beneficial to the community and entire industry. We look forward to the opportunity of working together again on future projects."

M. Hittinger, Office Manager, O.J. Pipelines Canada

"Royal Camp Services Ltd. (RCS) is pleased to remain a strong supporter of our partner organization from the BATC, have provided for so many positive employment outcomes in past years for BATC 400+ community members, within our company...BATC will remain a priority consideration for our company because of the quality of screening, testing, training and work readiness that has become a hallmark of your organization."
